NAJMA KHAN

PKT would like to thank and recognize *Najma* for:

Taking time each shift to sit down and talk with each client and find out how they are doing and what they did since she last saw them

Being a great team player, always picking up shifts to help coworkers take vacation and keep it stable for the clients

Always making sure the house looks great and the cleaning checklist gets done

Being positive when working at the house and it rubs off on the clients!
